Panarea

Mediterranean breeze

DESIGN
Cazzaniga Mandelli Pagliarulo, 2020

EN — The idea behind Panarea is rooted in the Mediterranean coastline and brings to mind the colours and the refreshing summer breeze of a dinner on a terrace overlooking the sea. The wide and curved backrest is woven in polypropylene cord which creates an original geometrical pattern and wraps around the tubular steel frame as far as the armrests. The lounge armchair comes with a wide seat and a high backrest.

IT — Panarea nasce da un'idea di paesaggio costiero mediterraneo, che riporta alla mente i colori e la brezza rinfrescante di una cena all'aria aperta in una terrazza affacciata sul mare e la luce conciliante e ristoratrice della stagione estiva. Lo schienale ampio e accogliente è intrecciato in corda di polipropilene che, nella sua originale geometria, crea una raffinata greca e avvolge il tubo del telaio in acciaio, coprendo anche i braccioli. La poltrona lounge è dotata di una seduta molto generosa e di uno schienale alto.

Lamorisse

Up to the sky!

DESIGN
Cazzaniga Mandelli Pagliarulo, 2022

EN — Lamorisse is an armchair designed for the outdoors: for a waterfront veranda, shaded outdoor areas, for a poolside table, and even on a ship deck. Its main feature is the contrast between the sober shape of the supporting frame and the use of a lavish, enveloping cushion. All the elements of Lamorisse are distinct, independent and detachable, therefore easily separable during disposal.
IT — Lamorisse è una poltrona pensata per stare all'aria aperta: in una veranda lungomare, in dehor ombreggiati, attorno ad una tavola a bordo piscina e persino sul ponte di una nave. La sua caratteristica principale è il contrasto tra la struttura portante, un telaio dalla forma sobria, ed il cuscino ricco e accogliente. Tutti gli elementi di Lamorisse sono distinti, indipendenti e svincolati, perciò facilmente separabili in fase di dismissione.

Guinea
A tropical allure

DESIGN
Cazzaniga Mandelli Pagliarulo, 2023

EN — Guinea is an aluminium outdoor armchair with an iconic allure that evokes the concept of lightness and transparency. The aluminium frame combines with a seat in waterproof textile mesh on which rests a soft, removable cushion. Guinea can be customised in various configurations: the version with a waterproof textile mesh backrest is reminiscent of the traditional director's chairs, the version with the backrest in aluminium slats features more traditional, archetypical forms.

IT — Guinea è una poltrona in alluminio per outdoor che suggerisce un'idea di leggerezza fisica e visiva oltre che iconica. La struttura portante in alluminio è abbinata ad una seduta realizzata in rete tessile impermeabile sulla quale appoggia un soffice cuscino removibile. Guinea può essere personalizzata con diverse configurazioni: la versione con schienale in rete tessile impermeabile ricorda le tradizionali sedie da regista, la versione con schienale con doghe in alluminio è definita da forme più tradizionali e archetipe.

DESIGN
Cazzaniga Mandelli Pagliarulo, 2025

EN — Griante reinterprets the concept of woven seating through a design that combines traditional craftsmanship and industrial production. Arki-Sofa
A perfect balance

DESIGN
Pedrali R&D, 2022

EN — Arki-Sofa is an outdoor lounge seating system that encapsulates the comfort and elegance of an indoor sofa. Its geometrically shaped and generously thick cushions rest on a light structure supported by elastic belts. The seat is raised off the ground by stainless steel feet, while the backrests and armrests are characterised by distinctive teak detailing. Through the presence of linear modules and chaise longues, with Arki-Sofa multiple compositions can be created.

IT — Arki-Sofa è un sistema di sedute lounge per outdoor che racchiude il comfort e l'eleganza di un divano da interno. I cuscini dalle forme geometriche e dai generosi spessori appoggiano su una leggera struttura supportata da cinghie elastiche. La seduta resta sospesa da terra grazie a piedini in acciaio inox, mentre schienali e braccioli sono caratterizzati da un dettaglio distintivo in teak. Grazie alla presenza di moduli lineari e chaise longue, Arki-Sofa permette di creare molteplici composizioni.

Remind
Between mind & heart

DESIGN
Eugeni Quitllet, 2018

EN — While evoking the soft sinuous curves of wooden chairs from the late nineteenth century, Remind's organic silhouette recalls something never seen before, a universal shape able to fit into any space and style of decor. The result is an innovative polypropylene seating, in which each element is conceived to ensure total comfort and cosiness. Remind recycled grey version is one of the first products made from recycled polypropylene: 50% from post-consumer waste and 50% industrial waste.

IT — Remind riprende la memoria delle curve morbide e sinuose delle sedie in legno della seconda metà del XIX Secolo. La sua essenza si esprime attraverso una silhouette dalle forme organiche capace di "ricordare qualcosa mai visto prima", una forma universale in grado di adattarsi a qualsiasi spazio e stile. Una seduta innovativa in polipropilene in cui ogni elemento è pensato per conferire comfort e avvolgenza. La versione Remind recycled grey rappresenta uno dei primi prodotti realizzati in polipropilene riciclato: 50% da scarto di materiale plastico post consumo e 50% da scarto di materiale plastico industriale.

Soul

Pure creativity

DESIGN
Eugeni Quitllet, 2018

EN — The concept of Soul stems from the idea of creating a chair using a blend of age-old methods and cutting-edge techniques. Its ash structure has a minimalistic, flowing silhouette, characterized by a harmonious interplay of curves and lines. The outdoor version made of aluminium, with a seat in teak slats, ensures strength and lightness.
IT — La poltrona Soul nasce dal desiderio di creare una seduta ricorrendo a metodi tradizionali e sfruttando al tempo stesso la tecnologia. Linee sinuose caratterizzano una struttura in frassino resa dinamica e di carattere grazie al gioco armonico di curvature e dolci inclinazioni. La versione outdoor realizzata in alluminio, con sedile con doghe in teak sagomate, garantisce resistenza e leggerezza.

Souvenir

Elegance and memory

DESIGN
Eugeni Quitllet, 2022

EN — Souvenir was born from the desire to reinterpret the iconic shapes of the chairs used in Parisian gardens in the 18th century. Souvenir echoes their iconic shape, reinterpreting them through a new material. The result is a monoblock made of polypropylene designed specifically for outdoor use. Very light yet resistant, it stands out for its harmonious shape, integrating all its constituent elements in an organic and natural way.
IT — Souvenir nasce dalla volontà di reinterpretare le forme iconiche delle sedie che nel XVIII secolo venivano usate nei giardini parigini. Souvenir ne riprende la forma iconica, reinterpretandola attraverso un nuovo materiale. Il risultato è una seduta monoblocco in polipropilene pensata per l'utilizzo outdoor. Philía
Italian twist

DESIGN
Odo Fioravanti, 2024

EN — Philía is a collection of outdoor seatings reminiscent of the traditional Italian garden chairs. A side chair and armchair featured by rational and geometric lines that blend with softer forms typical of the human body. Philía is characterised by a resistant steel tubular frame, while seat and backrest are wrapped in a pvc cord, textured with lines, that, thanks to horizontal direction weaving, intersects at the centre to ensure elasticity and high resistance.

IT — Philía è una collezione di sedute outdoor che riprende le linee delle sedie per esterno della tradizione italiana. Una sedia e una poltrona caratterizzate da linee razionali e geometriche, che si fondono a una gentilezza di forme più morbide tipiche del corpo umano. Philía si distingue per un telaio resistente in tubolare d'acciaio, mentre la seduta e lo schienale sono avvolti da una fettuccia in materiale plastico dalla superficie goffrata che, ordita a mano in orizzontale, crea un incrocio centrale in grado di garantire elasticità e resistenza.

DESIGN
Andrea Pedrali, 2023

EN — Narì echoes some of the elements of the first forged iron garden chairs from Pedrali's 1960s collection in a contemporary key. The distinctive feature of the legs is evoked using a double steel tube that features a simpler, more linear shape. This woven element tightens towards the lower part of the seat and widens towards the top, calling to mind the fanshaped geometry inspired by the backrest of the Serenella armchair. A tribute of the designer to his grandfather Mario Pedrali, founder of the company.
IT — Narì riprende alcuni degli elementi delle prime sedie da giardino realizzate in ferro battuto presenti nella collezione Pedrali degli anni Sessanta reinterpretandoli in chiave contemporanea. L'elemento distintivo delle gambe viene rievocato ora attraverso l'utilizzo di un doppio tubo d'acciaio dalla forma più lineare e semplice. L'incordatura si stringe nella parte inferiore della seduta e si allarga verso l'alto per richiamare la geometria a ventaglio ispirata allo schienale della poltrona Serenella. Un tributo del designer al nonno Mario Pedrali, fondatore dell'azienda.

Giravolta

The wireless outdoor lighting

DESIGN
Alberto Basaglia - Natalia Rota Nodari, 2017

EN — Inspired by Lanterns of times past, it is a wireless lighting distinguished by a contemporary design and suitable for outdoor environments. The name reflects its essence: the swivelling diffuser and the rechargeable feature recalls the great inventor Alessandro Volta and his main discovery, the battery.
IT — Ispirata alle lanterne di un tempo, Giravolta è una lampada wireless ricaricabile dal design contemporaneo, adatta per l'outdoor. Nel nome tutta la sua essenza: da un lato il suo diffusore orientabile, dall'altro il suo essere ricaricabile da cui il riferimento ad Alessandro Volta e alla sua principale invenzione, la pila.
