Centro™
Privacy/Modesty Screen

versatile. simple. centro.

The Centro screen helps get your office in gear, offering the versatility of either a privacy or modesty application. Made from recycled water bottles, this value engineered screen has both a tackable and sound absorbent surface. The easy to install mounting brackets leave space between the screen and worksurface, allowing effortless cable organization to hide all that clutter. With six colors to choose from, any workstation can be customized to help you bring on the workday.
